

Beluga

Dir: Mahdi Jafari

Film

SYNOPSIS

The story is about 13-year-old Damon, who is busy with illegal fishing with his father. But their fishing boat is stopped and seized by the Coast Guards of the Environmental monitoring department. A little while later, the father is arrested by the guards while fishing illegal with his friend who is drowned at sea. Damon goes to fishing with the fishnet of his father's friend and one day he catches a big fish calling Beluga in the sturgeon family, which is extremely rare and producer of top quality caviar. He keeps fish underwater after while searching for information about her caught fish, he realizes the fish environmental value. Damon Doubts either to deliver it to the Department of Fisheries or to sell it at Bazar. Meanwhile
